High-Back Training Chair Armless

Lightweight, flexible, and comfortable, the Valoré High-Back Armless Training Chair nests for easy mobility and convenient storage when not in use. The comfortable mesh back and fabric seat, along with a gentle recline action makes it as indispensable as it is stylish. Multiple frame, mesh back, and upholstered seat options are available, allowing it to shine in training rooms, offices, collaborative areas, and even hospitality settings.

High-Back Training Chair with Arms

The Valore High-Back Training Chair with Arms is ideal for conference rooms, training spaces, teaming areas, and even individual work zones. Its reclining high back and integrated arms, offer ultimate comfort for long-term use, while its smart nesting capabilities allow for easy storage in compact spaces. Simply select the frame finish, mesh color, and upholstery material to complement any training or conference space.

Height-Adjustable Task Chair

Designed to complement any contemporary office environment, the Valore Height-Adjustable Task Chair provides a stylish and practical solution for a wide variety of spaces. Bright and bold, or subtle and subdued, it offers ultimate comfort. It's 5-star aluminum base adds comfort and easy mobility. Multiple frame finishes, mesh back colors, and custom upholstery is available for a customized look.

Mid-Back Chair

With a comfortable mesh back and Black fabric cushion, the Valoré Mid-Back Chair is a practical, compact, nesting seating solution, offering standard arms and dual-hooded casters, along with a powder-coated Silver frame. The seat flips up between the integrated arms for smart storage when not in use.

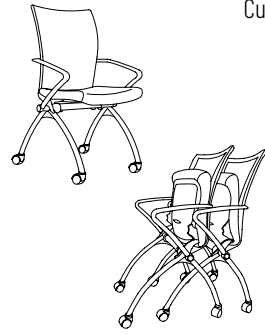

5-Day Seating

Customize your chair with your choice of mesh seat back, plastic frame or upholstered seat.
