

Corporate Color Program (effective 7/1/08)

For many of Mayline Group's product lines, an extensive standard corporate color program is available. Mayline has partnered with Nevamar and Wilsonart to offer over 450 standard laminates. Mayline has also partnered with Interface (Guilford of Maine) to offer over 250 standard fabrics for privacy screens and fabric partitions. These partnerships, along with Mayline Group's standard paint finishes, combine into one of the broadest offerings in the industry. This program is offered with no upcharges, minimum quantities, or extended lead times. Look for the

symbol throughout the Price List for product lines offered with this Corporate Color Program. Select product lines with limited finish options are noted individually. For examples of all standard finishes, please refer to Mayline Group's Corporate Color Chart or visit www.mayline.com.
