GOES ANYWHERE. DOES ANYTHING.

Fixed-Height Tables with Columbian Walnut laminate tops and Silver bases shown with matching e5™ Storage Components. Commute™ Task Seating with Expo Sprout fabric and Black finish.

# COLLABORATING

Conference Table (foreground) and Flip & Nest Tables with Summer Suede laminate tops and Silver bases. e5™ Collaborative Furniture with Summer Suede and Designer White laminates, and Silver finish. Commute™ Task Seating with Flection Foil fabric and Chrome finish.

## Cohere™ works well with others.

Conference Tables, Flip & Nest Tables, stationary tables, mobile tables ... you can combine multiple table styles in a single space and still maintain a coherent, cohesive look and feel. The simple lines blend seamlessly with other Mayline products – including e5™ collaborative furniture – as well as competitive offerings. More than 900 standard laminate options allow plenty of creative latitude.

**Ace of Bases.** Different tables offer different base options, each of which beautifully complements the others. Bases are available in a black, silver or white powdercoat finish, with optional polished aluminum feet.

# LEARNING

Flip & Nest Tables with Burnt Strand laminate tops and Silver bases. e5™ Storage Cabinets in Designer White laminate with Expo Sprout fabric cushions. Valoré® Training Seating with Expo Sprout fabric and Chrome finish.

## Cohere™ goes here ... and there ... and back again.

Mobile Flip & Nest Tables are an ideal solution for training rooms and other applications that may require frequent reconfiguration. Locking casters and optional ganging hardware provide stability but can be easily disengaged when tables need to be moved. Grommets and frosted acrylic modesty panels are available to support technology and enhance privacy.

Choose standard black casters or optional white nylon casters for even smoother movement.

Table surfaces flip and lock in vertical position for staggered nesting and storage.

Easy-to-operate flip mechanism comes standard in silver finish.

# MEETING

## Cohere™ brings people together.

Cohere™ makes meeting easy and effective – whether it's an impromptu confab of two or a formal assembly of 20, inside a conference room or outside a workstation cluster. Height-adjustable tables encourage healthy posture variations during long sessions. A variety of table top shapes can be combined in creative ways to support education, presentation and collaboration.

This V configuration ensures a clear view for everyone at the table. Fixed-Height Tables with Aqua Dotscreen laminate tops and White bases. e5™ Storage Cabinets in Designer White laminate. Valore® Training Seating with Expo Sprout fabric and Chrome finish.

Round Conference Tables are offered in three sizes. Conference Table with Aqua Dotscreen laminate tops and Black and Aluminum base. e5™ Collaborative Furniture in Designer White and Raven laminates. Valore® Training Seating with Expo Sprout fabric and Chrome finish.

Pin-Height Adjustable Tables offer 8" of vertical spring clip adjustability.

Transition Tables let you create V-shapes, U-shapes, semi-circles and more.
