Real Office Product Features

- Manufactured using only AA-Grade North American veneers.
- Hand selected veneer to ensure matching grain patterns.
- 14-step handcrafted finishing process including 2 final coats of catalyzed lacquer, which provides the following:
 - Clarity
 - Heat Resistance
 - Stain Resistance
- All cabinet interior shelves and backs are first quality finished veneer.
- All cabinet doors feature self-closing European style hinges.
- All file unit drawers feature full-extension ball bearing slides with finished, full-depth interiors.
- Center drawers feature solid wood frame with leather inserts.
- Locks have removable cores with available master keys.
- All cabinets ship with two sets of handles to match both Corsica and Napoli.
- Extra protective packaging design for safe transport.
- All file units ship fully assembled.
- Fast, sturdy cabinet and desk assemble using metal-to-metal cam fasteners.
