## IMPORTANT !

**Review ALL instructions before beginning assembly.** These instructions are provided to avoid problems that may occur from improper assembly or installation. Mayline and/or its distributor are not responsible for failure resulting from improper assembly or installation of this product. Moreover, all warranties are void for failure to follow these assembly instructions.

- ① Mounting Board Installation - Due to the various wall construction methods, it is up to a professional installer to secure the Wall Mounting Board (Y) to the wall with the proper fasteners and/or anchors as required by the wall construction at the desired mounting location. Mayline does not take responsibility for safe, proper fastening.

To Hang Cabinet - Position cabinet so that Mounting Board (A) is above Wall Mounting Board (B) and lower cabinet until Mounting Board (A) and Wall Mounting Board (B) lock together.

- ② Wall Mounting (A) is also assembled to support frame (STESSF72 / 66,STEDSF72 ).  
Please refer to AI for STESSF72 / 66,STEDSF72
