*Shipping and Freight Allowance Program

All products ship via select common carrier f.o.b. shipping point (origin), with freight charges prepaid by Mayline. This is for dock-to-dock and small parcel shipments only. These terms apply to shipments within the 48 contiguous states. Any accessorial charges for lift gate, inside delivery, call-in-advance, etc., are the responsibility of the dealer. If dealers are requesting shipments with a third party carrier or will-call, an extra 10% discount will be applied to the order and 3rd party account number will be required.

U.S.-based dealers shipping into Canada will pay all freight charges dock-to-dock and must also provide their own broker and pay any fees or associated taxes. As a result of the dealer paying the freight, third party bill only, they will be allowed an additional 10% discount off of their standard discount. If Mayline provides the carrier and broker, the dealer will be charged for exact freight charges, plus a \$75 broker fee and associated taxes.

All orders from **Gold dealers** will be covered under this policy regardless of order size. Purchase orders must reflect current list pricing with standard discount.

Orders from **Silver and Bronze dealers** will ship free on purchase orders of \$2,500 current list or more (reflecting current list pricing) with standard discount.

Orders less than \$2,500 current list will incur a \$75 fee for LTL shipments or \$15 for small parcel shipments.

Accessorials Charges

Requests for inside delivery and lift gate/tailgate services should be included on original purchase orders and are subject to approval by Mayline. A \$50 charge for inside delivery and \$50 for lift gate/tailgate will be added to the invoice. Pricing listed only covers shipments below 2000 lbs. Special services requested over 2000 lbs. need to be quoted. Additional charges may apply based on order volume. Contact Customer Service for a quote.

In the event that inside delivery and/or lift gate/tailgate services are unforeseen, but required to complete the delivery, both the dealer and Mayline must agree to these services and subsequent invoicing by Mayline of the charges described above.

Inside delivery is defined as when carrier moves all or part of a shipment to a position beyond the point directly accessible or immediately adjacent to the delivery vehicle.

If a consignee is responsible for causing a re-delivery, a \$50 charge will be invoiced.

Other special services will be billed at actual charges, including but not limited to:

- Storage
- Extra Labor
- Driver Assist
- Guaranteed Timekeeper Delivery
- Residential Zoned Delivery
- High Cost/Remote Region Delivery (i.e. New York City)
