## **Mayline Company, LLC® Wins Best Furniture Award at NAOPA 2015 for the Keep™ Modular Wall System!**

**SHEBOYGAN, WI—June 26, 2015**—The winners of the North American Office Products 2015 Awards (NAOPA) have been announced, and Mayline’s [Keep™ Modular Wall System](#) has won the award for Best Product in the furniture category!

“The Keep Modular Wall System from Mayline is a mid-market modular wall solution, competitively priced, classy, attractive as well as highly functional. The judges loved its’ flexibility, two-sided access along with multiple component options and unlimited number of freestanding sections, which provides the perfect solution to divide and define space and privacy in open office and collaborative work spaces,” indicated Steve Hilleard, CEO of OPI.

These awards set the industry standard and aim to find the best products and leading dealer executives in the industry. Finalists were judged by a panel of leading resellers and the winners were announced during a packed general session at [SPR’s ABC in Las Vegas June 24<sup>th</sup>](#).

“Mayline is honored to be recognized for Keep™ with this prestigious, juried NAOPA trophy,” said Rod Ganiard, VP of Sales for Mayline. “Our product and marketing teams listened carefully to customers’ responses to an earlier version of Keep™. Steve Hilleard and the panel of judges recognized its ability to divide space elegantly while still providing storage and options for signage, work space, teleconferencing modules, impromptu conference areas – most anything that can be mounted on the attractive frames that Keep offers.”
