Mayline Featured on New TV Show – Office Spaces Airing on Lifetime Television

SHEBOYGAN, WI—March 8, 2016 - Mayline Company, LLC®, a leading mid-market contract furniture manufacturer headquartered in Sheboygan, WI, will be featured in a new TV show – Office Spaces airing on Lifetime Television® channel this Friday, March 11th at 6:00 am CST.

From the creators of Designing Spaces, Office Spaces follows a solutions-oriented story and reveals the step-by-step transformation of their very own office makeover, with the help of e5™ workstations and private offices, task chairs, guest seating, meeting and training room furniture from Mayline.

A well-designed office space with ergonomic and creative workspaces must also maximize efficiency, collaboration, and stimulate individual focus and productivity. That’s exactly what happened when three truckloads of Mayline furniture arrived and was installed at the Offices Spaces’ new location.

“Partnering with Office Spaces on this project has been a very rewarding experience for us,” stated Allan Klotsche, President and CEO of Mayline. “It has given us the opportunity to showcase how our furniture solutions can help companies reinvent their workspaces to embrace and manage change and innovation.”

Whether you are updating or relocating your office space, creating quality workspaces is what Mayline is about. Find out more [here](#).
