Mayline® Announces Expansion of TechWorks® Product Line

SHEBOYGAN, WI—July 29, 2016—Appealing to a more industrial aesthetic and offering the flexibility to meet the demands of busy tech-intensive work environments, Mayline® announces an expansion to TechWorks® Benching and Desking System.

With a broader selection of bench and organizer frame sizes, surface laminate choices, paint colors, storage components and accessories, the modular design of TechWorks provides unlimited configurations. TechWorks delivers the best balance of durability for tech-intensive tasks, with the flexibility for reconfiguration and ease of future expansion.

“As technology continues to evolve, we are seeing more TechWorks applications moving out of the traditional IT back room and into modern tech-intensive office environments,” stated Allan Klotsche, President and CEO of Mayline. “We understand the impact the constant state of technological change can have in a workplace, and your employees will appreciate the enhanced workflow efficiencies that our robust, yet flexible TechWorks solutions can provide so your workspaces can adapt to new technologies and grow with your teams!”

‘Made in USA’ (Sheboygan, WI), TechWorks is backed by a Limited Lifetime Warranty, is on Mayline’s GSA (General Services Administration) Federal Government Contract, TCPN/National IPA Cooperative Purchasing Network Contract for the vertical market public sector, as well as on several State and Local Contracts.
