TAK/MAG PANEL KIT EZTM

ITEM QTY DESCRIPTION
A 4 #10 x 5/8 PHILLIPS PAN HEAD PARTICLE BOARD SCREW

NOTE:
If installing an overhead, be sure to install the Tak/Mag panel first.

1. Position the brackets with the open end up and locate on the desired surface. Screw in place with the provided screws.
2. Repeat for the other side. Be sure to install brackets at the same height.
3. Slide panel into brackets.
