**Assembly Instructions**

CALL 1-800-822-8037 FOR ASSISTANCE

Sorrento Presentation Board
Model No. SCWB

Pre-Assembled Replacement Parts List

Items with HB are in the hardware box.

**Denotes Color Code**
Place foam spacer (part C) at white line on the backside of the presentation board prior to attaching bracket (part D). Attach the bracket to the bottom of the presentation board using screw (part F) then attach the bracket to the wall using screw (part A).

Note: Screws provided are for wood stud installation only. Use proper fasteners and/or anchors for drywall or metal stud applications.
If you have any additional questions, please contact our Customer Service Department at 1-800-822-6037.

- Avoid exposure of furniture to bright solvents (e.g., polish remover, lacquer thinner).
- Avoid exposure to extreme changes in temperature and humidity.
- Lift objects to move them, never pull them across the finished surface.
- Do not leave plastic, vinyl or rubber products in contact with wood finishes.
- Remove rubber or plastic products that come in contact with wood finishes immediately.
- Clean all finishes frequently with a soft cloth dampened with warm water.
- Never wax or use abrasive products.
- Never use furniture polish, solvents, or any water on finished surfaces.
- In most cases, to move a table, simply lift it and set it back on its legs.
- Avoid exposure of furniture to extremes of heat and cold.
- Do not expose plastic, vinyl or rubber products in contact with wood finishes.
